

## Disability Rights Awareness Workshops

### A 2 day training workshop for designated ethnic community workers working in non government organisations

The aim of the workshops is to enhance understanding of disability in a cultural context and to learn about what legal services and support networks are available in the community. The workshops will cover laws and regulations that you need to consider in your workplace.

**Workshop Length:** 9.30am - 16.30pm

COST: Free

**Workshop Outline:**

- Understanding disability in a culturally diverse context
- Understanding legislative and regulatory frameworks
- How, when and where to contact legal services
- Identifying the support networks in your community
