### 10. Police Checks for Volunteers

It should be noted that only those volunteers who are visiting care recipients under the Community Visitors Scheme and volunteers organised by an approved provider and who are reasonably likely to have unsupervised access to care recipients are required to have a Police Check. The website of the NSW Police Force at [http://www.police.nsw.gov.au/about\\_us/structure/specialist\\_operations/forensic\\_services/criminal\\_records\\_section](http://www.police.nsw.gov.au/about_us/structure/specialist_operations/forensic_services/criminal_records_section), <https://npcoapr.police.nsw.gov.au/asp/dataentry/Introduction.aspx>, <https://www.afp.gov.au/what-we-do/services/criminal-records/national-police-checks>, <https://afpnationalpolicechecks.converga.com.au/> provides information in relation to who is required to have a National Police Check and links to the online application form for the check.

The Service NSW website also provides a link to the National Police Check form at <https://www.service.nsw.gov.au/transaction/apply-national-police-certificate>.

The national name and date of birth check currently costs \$55.90 and a national name and date of birth check for volunteers working in Commonwealth supported aged care is \$15.
