

## CPD Program Points Schedule

The Centre for Volunteering's Continuing Professional Development (CPD) Framework has identified a number of activities that you can complete to claim continuing professional development (CPD) points.

These activities are highlighted in this document and include activities coordinated by The Centre for Volunteering, School of Volunteer Management and external activities, either through your organisation, other sector training or CPD endorsed training partners.

Points have been allocated to each activity based on time spent, complexity/depth of learning, engagement in learning/interactivity, contribution to the volunteering sector and how closely linked to the professional leadership of volunteers an activity is.
